

# METRO AQUATICS BOOSTERS

## PARENT VOLUNTEER INTEREST FORM

Swimmers Name: \_\_\_\_\_

Mothers Name: \_\_\_\_\_ Fathers Name: \_\_\_\_\_

Metro Aquatics is a strong, healthy swim club due—in large part—to its wonderfully dedicated parent volunteers. Joining Metro Aquatics is a wonderful investment in your child's future. This investment comes with not only a commitment from the swimmer, but also from the whole family. The family commitment is not just your time and finances to support your the swimmer; but also your time and expertise to help manage the swim team. Your personal talents are needed with other fund raising activities and joining committees that suit your expertise. In order to run a healthy swim club we need the help of all our parents. Below are some of the activities/committees that parents can be involved with. Please check off ones that you are interested in pursuing. Feel free to check off more than one! If you do not see anything that interests you, write in something you would like to undertake that would benefit the swim team.

Metro Aquatics' most important fundraisers are the swim meets we host throughout the year (usually 3). In order to keep hosting the high-quality meets Metro is known for, we need all of our parents to volunteer their time—not just when their swimmer(s) swim; but during the entire meet.

**No training needed:**  Timing  Concessions  Hospitality  Awards  Site Preparation  Site Cleanup  Runner
